

THE UPPER LEFT CAMPAIGN

WASHINGTON

ABEJA

Abeja (Spanish for Bee) founders Ken and Ginger Harrison came to Walla Walla Valley in the late 1990s in search of land suitable for planting world class Cabernet Sauvignon. It was while searching for an ideal vineyard location that the couple discovered an extraordinary historic farmstead that captured their hearts and sparked their imagination. The idea for Abeja began to take hold. Not only was the property suited for grape growing and winemaking, but by restoring the farmstead's existing buildings, the Harrisons saw the opportunity to preserve the property's rich heritage while creating a one-of-a-kind Walla Walla wine country destination.

- Renowned Walla Walla vineyard sites.
- 93+ Spectator ratings last vintages.
- Estate-driven wines.
- Exceptional quality across varietals.
- Fantastic hospitality at Abeja Inn.

TOP SKUS

Cabernet Sauvignon Columbia Valley

Dense aromas of black stone fruits, fragrant allspice and berry are captivating and generous on the nose. A surge of ripe plum defines the mouth-filling entry yet shows restraint in a well-crafted palate which displays grip and structure. Finally, layers of bright cherry, sage, and clove come into focus and leading into a lasting, memorable finish.

Chardonnay Washington State

Brilliant in color with a pale-yellow hue, the Washington Chardonnay offers a generous nose of apple blossoms, nutmeg and lemon curd. Melon and white peach coat the palate, followed by notes of quince and golden apple that linger on a vibrant, mouthwatering finish.

Merlot Columbia Valley

A fresh nose brimming with crushed berries and black cardamom instantly lures and continues throughout. The body is round and well-structured with fine tannins revealing accents of cocoa, Oolong tea and strawberry preserves leading into a decadent finish.
