

# ST. GEORGE BOTANIVORE GIN

*Bartenders will want to  
experiment with this lovely,  
lightly floral gin.*

— WINE ENTHUSIAST

*Complex and bright.*

— ESQUIRE

## OVERVIEW

Balanced and vibrant. Our “botanical eater” is comprised of 19 different botanicals working in concert.

## WHAT'S IN IT

Angelica root, bay laurel, bergamot peel, black peppercorn, caraway, cardamom, cilantro, cinnamon, citra hops, coriander, dill seed, fennel seed, ginger, juniper berries, lemon and lime peel, orris root, Seville orange peel, star anise

## HOW IT'S MADE

We vapor-infuse juniper berries, bay laurel, and fresh cilantro. The other 16 ingredients are distilled in the pot of our 1,500-liter still after being steeped overnight.

## TASTING NOTES

A meadow in bloom. Elegantly herbaceous with bright citrus and subtle floral notes.

## THE EXPERIENCE

Plays well in cocktails of any stripe. Delightful in a Gin & Tonic and all you need for a perfect martini.
