

AVALINE

Made with Organic
Grapes

Transparently
Produced

No Unnecessary
Additives

A NEW STANDARD IN WINE.

Avaline offers a range of wines that are made with organic grapes and free from unwanted additives. Founded by two close friends, Cameron Diaz and Katherine Power, the brand aims to raise the standard for what goes into consumers' wine glasses, inspiring them to drink with confidence.

OUR COMMITMENT TO ORGANICS, SUSTAINABILITY & TRANSPARENCY

- All vineyards are certified organic, meaning no synthetic herbicides and pesticides are used in farming
- Our wines are free from unwanted additives like concentrates, and all contain <1g Sugar per 5 oz serving
- We share all ingredients and nutritional information directly on our label
