

SUMMER IN A BOTTLE ROSÉ

A WÖLFFER ESTATE SUMMER INSPIRED SELECTION

This iconic favorite strikes the perfect balance between fruitiness and minerality, embodying the Hamptons Summer.

“This Rosé and its distinctive bottle were first introduced in 2013. It was created in homage to summertime in the Hamptons, and this release delivers on that promise. We used nine varieties of grapes, grown in different vineyard sites, and harvested each lot at the perfect time. This diversity gives us complexity. By carefully blending, we achieve a balanced Rosé with loads of flavors and fruit complementing the wine’s natural vibrant acidity. May be our best vintage yet!”
